[Click to Print Instructions](#)

It's easy to add your uploaded Facebook videos to your CMS software.

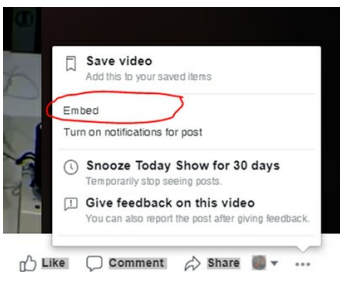

1. Your video must be uploaded at Facebook
2. Click on the video you want to embed located on your facebook page and enlarge it to full screen.

3. Click on the 3 dots on the bottom right of the video

4. Click on embed

5. Go down the page and click on the blue GET CODE button and at the top of the page choose the iFrame tab
